**Community Visioning/First Impressions/Vision 2030:** Very strong support for Walking Trail project! Perry Pride previously approved \$5,000 in support towards project.

<Prior Meetings: Initial focus will be back to the park project that we began discussing in 2019. There is a lot of corporate support for projects like this and we want to get moving forward again so we can start to apply for grants, etc. Kathy will work on a Summary of First Impressions Report and how this ties in with Vision 2030. Megan will then publish to our Perry Pride Website along with the First Impressions PowerPoint that was provided to us through Kansas Pride. We will hold off on publishing First Impressions Report until we are ready to roll out Walking Trail project. >

**Welcome to Perry Get Together:** We will work towards hosting an event in Spring 2022. <Prior Meeting: Discussion of trying to host an annual Welcome to Perry Event. A way to bring people new to our area together to meet others. Maybe a hot dog cookout, quarterly corn hole, homemade ice cream, drawings for prizes, chili cook off.>
